

Using BETWEEN

Question

Select the title and release_year of all films released between 1990 and 2000 (inclusive) using BETWEEN.

Answer

```
-- Retrieve title and year of films released between 1990 and 2000
SELECT title, release_year
FROM films
WHERE release_year BETWEEN 1990 AND 2000;
```

Code Explanation

1. SELECT title, release_year: Retrieves the title and release_year columns from the table.
2. FROM films: Specifies the table 'films' as the source of data.
3. WHERE release_year BETWEEN 1990 AND 2000: Filters the rows to include films where the release year is within the range 1990 to 2000, inclusive of both endpoints.
